Dear Ms. Judkins:

In response to your letter of February 20, 2009 regarding the status of WTCC PAC, please find enclosed a final CFA-4 closing this political action committee.

I would like to request a waiver of any fines due to late reporting for this PAC due to the fact that the committee has been inactive for at least 3 years with no activity either political or financial. In fact, our bank account was declared dormant by the National Bank of Indianapolis and I had to file the enclosed request to be able to reactivate it in order to write the final check and zero out the committee's CFA-4.

WTCC has been inactive due to the death of two members of the board and my co-chair moving to Hamilton County. My wife was diagnosed with metastatic breast cancer a little over 4 years ago and my focus has been on her and I have lost track of the filing deadlines for this committee.

Please pass this information on to the Election Board at the March 18th meeting. I will try to attend in person but may not be able to be there.

Thanks for your attention to this matter,

Sam Goldstein, Chair
